## **SunRail Railroad Crossing Work and Road Closure on S.R. 436 Altamonte Springs**

*Altamonte Springs* - State Road (S.R.) 436/East Altamonte Drive is closing in both directions at the railroad crossing east of South Ronald Reagan Boulevard from **9 p.m. Friday, March 31 to 3 a.m. Monday, April 3**. The closure is needed to replace the existing SunRail crossing with new concrete panels and asphalt approaches, which will provide a safer and smoother crossing for motorists.

Detour route signage is placed at key locations in the area to direct drivers around the work zone. Access to businesses and residences will be maintained.

Detour Information:

- Westbound S.R. 436 traffic will be directed to turn right onto U.S. 17/92 northbound, then left onto Dog Track Road and left onto South Ronald Reagan Boulevard to go back to S.R. 436. Local traffic will be permitted to continue west on S.R. 436 to point of the closure.
- Eastbound traffic on S.R. 436 will be directed to turn left onto South Ronald Reagan Boulevard, right onto Dog Track Road and then right onto U.S. 17/92 southbound to go back to S.R. 436.

For the latest information on this construction project, please visit [www.cflroads.com](http://www.cflroads.com). Please note bad weather or other unexpected conditions may affect the schedule. Construction concerns? Please contact Construction Public Information Coordinator Carolyn Fitzwilliam by phone at 407-637-7461 or by email at [carolyn.fitzwilliam@dot.state.fl.us](mailto:carolyn.fitzwilliam@dot.state.fl.us).

For more information about SunRail routes, schedules, and fares, please visit us at [www.sunrail.com](http://www.sunrail.com). SunRail urges motorists to be careful around trains, railroad crossings and construction. Be smart. Be safe.
