ART IS MOVING ON SUNRAIL

Sanford – A SunRail coach car has been transformed into a rolling art gallery. SunRail riders and others will get their first glimpse beginning Thursday afternoon. The project is called "Art Is Moving" and is a privately funded initiative conducted through a partnership of leading arts groups. It features the work of artists across Central Florida, including artists in every county served by SunRail; Orange, Seminole, Volusia and Osceola counties, as well as the City of Orlando. The kick-off of the "Art Is Moving" program also coincides with the special Saturday service to the Winter Park Sidewalk Art Festival and other major venues.

More "Art is Moving" information:

- The inaugural trip of this coach car will be the 1 p.m. southbound train out of DeBary on Thursday, March 16. It will run three round trips.
- It is also expected to run the same schedule on Friday.
- It's expected this coach car will be part of the 10 a.m. train on Saturday, and will run three round trips that day. The 10 a.m. train is the first train of the day on Saturday.
- Both the "Art is Moving" initiative and the special Saturday service are privately funded.
