SunRail Offers a Black Friday Sale!
Buy One, Give One “BOGO” Rides One Day Only, November 26, 2021!

ORLANDO, Fla. – SunRail is offering a special Buy One, Give One “BOGO” promotion on Friday, November 26, 2021. For one day only, buy your ride and your friend or family member rides free! Take SunRail on Black Friday to support local businesses, restaurants, and venues.

- A one-way or round-trip ticket may be purchased at any station Ticket Vending Machine for one rider, and their friend/family member will ride free.
- Current SunCard holders will need to tap on before riding to serve as their paid fare for their companion to ride free.
- “FREE” fare must be redeemed on Friday, November 26 and cannot be saved or used for future travel dates.

SunRail provides Central Florida with rail service Monday through Friday along a 49-mile route from DeBary in Volusia County to Poinciana in Osceola County. SunRail currently has 16 stations and will extend service north to DeLand in early 2024. SunRail trains are ADA compliant, bicycle friendly, and include restrooms, power outlets, and free wi-fi.

Please be careful around trains, railroad crossings, and while at station platforms. Let’s Go for Zero Distractions/Collisions/Trespassers.

For more information about SunRail, including fares, schedule, and station locations, please visit SunRail.com or download the SunRail app.

As a friendly reminder, per TSA guidelines, masks are required onboard trains.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
