## **Ride Like a Reindeer with SunRail This Holiday Season and Enter for Chances to Win Free Merchandise!**

**ORLANDO, Fla.** – SunRail invites you to Ride Like a Reindeer aboard specially decorated trains this holiday season! Throughout December, look for red noses and antlers adorning the fronts and sides of SunRail trains to encourage members of the community to choose the train and ride in style.

Whether riding the train for the first time or rediscovering SunRail service, there are three great ways to enjoy SunRail this holiday season:

- Visit the [SunRail.com](http://SunRail.com) for ideas on local events and destinations near stations to enjoy the holidays while supporting local businesses, restaurants, and venues.
- Follow [@RideSunRail](https://twitter.com/RideSunRail) on social media to join in weekly 'Traindeer Games' for chances to win great SunRail prizes. No purchase necessary.
- Purchase fun, limited-edition SunRail merchandise at an upcoming retail pop-up event. Click [here](#) for details.

SunRail provides rail service Monday through Friday along a 49-mile route from DeBary in Volusia County to Poinciana in Osceola County. SunRail currently has 16 stations and will extend service north to DeLand in early 2024. SunRail trains are ADA compliant, bicycle friendly, and include restrooms, power outlets, and free wi-fi.

Please be careful around trains, railroad crossings, and while at station platforms. Let's Go for Zero Distractions/Collisions/Trespassers.

For more information about SunRail, including fares, schedule, and station locations, please visit [SunRail.com](http://SunRail.com) or download the SunRail app.

As a friendly reminder, per TSA guidelines, masks are required onboard trains.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
