## **SunRail Train Activity This Weekend**

### *Grade Crossing Testing*

**Winter Park, Fla.** – Expect to see SunRail trains running Sunday, June 2 as part of testing along the Central Florida Rail Corridor (CFRC) through the City of Winter Park. Testing could occur on either track. The testing time will last for approximately four hours Sunday morning, with a train periodically traveling back and forth in this section of the corridor.

Railroad crossings where testing is occurring on Sunday include:

- Pennsylvania Ave.
- Webster Ave.
- N. New York Ave.
- Canton Ave.
- S. New York Ave.
- W. Lyman Ave.

Motorists may also see work occur near these crossings throughout the weekend in preparation for the testing.

Please be careful around trains, railroad crossings, and while at station platforms. Be smart. Be safe. For more information about SunRail, including fares, schedule and station locations, please visit [www.sunrail.com](http://www.sunrail.com) or download the new SunRail app.
