

SAFETY
IS FOR EVERYONE

**Safety education designed
for inclusive comprehension
through comfort, accessibility,
and special attention.**

X   @RideSunRail

SUNRAIL

SAFETY IS FOR EVERYONE

The **Safety Is For Everyone** project extends rail safety awareness to individuals with developmental disabilities, vision difficulties, and hearing difficulties through specialized rail safety education materials and messaging.

RAILROAD SAFETY

No trespassing! Keep off railroad tracks

Avoid distractions near the tracks

Stay behind yellow line on the platform

Obey all signs, sounds, and signals at crossings

If you would like to schedule a safety presentation for your group ride or classroom, please contact

Safety@SunRail.com or visit

SunRail.com/riding-sunrail/rail-safety

Operation Lifesaver, Inc. administers grant funding on behalf of the Federal Transit Administration to increase awareness about the importance of rail safety education.

Please visit **www.oli.org** for additional information.
